Halloween is coming soon. It's a holiday on October 31st.

Lots of people dress up on Halloween. I can dress up, too!

People walk around the neighborhood on Halloween. I can walk with my family and friends.

When I walk up to a house, I hold out my bag and say, “Trick or Treat!”

People will put candy or small toys in my bag.

I can say, “thank you!”

Then I will walk to the next house.

Halloween is fun!
